OUR STORY

The TPANZ is a new union that was formed to provide educators with a viable, robust choice in representation. We actually have the courage to represent the things that are important to our members and promise to do what we say we will! We're able to offer fees cheaper than traditional unions, because we concentrate on employment matters.

We also meet the needs of Teaching Assistants, and all other school and education employees. Our sister unions in Australia are well established with tens of thousands of members.

TPANZ has extensive resources plus an experienced team of lawyers and advocates to handle any workplace issue you face.

WHY JOIN?

- ✓ We are run by teachers, for teachers
- ✓ PI Insurance up to \$500,000
- ✓ We are not affiliated with any political parties
- ✓ We fight where other unions don't
- ✓ Lower fees - save up to ~\$200 per year on union dues

THE TPANZ EXPERIENCE:

TPANZ are the most supportive and professionally accountable union there is for teachers. Without the political alliances that the alternative unions have they're able to truly stand up for the rights of their members.

Joe

Professional, personal and caring; above and beyond the call of duty to support all of its members. Highly recommend for all education staff who need a union who truly understands and supports them in and through all things.

Jacinta

Very satisfied with service, follow-up and ongoing information regarding my questions. Love that I get email responses and also follow up with telephone contact. Thank you!
